

WELCOME!

Welcome to Allergy Asthma Associates, PA (AAA), the office of Dr. Tang. The leading expert in asthma and allergic diseases. Our greatest interest is to provide the highest quality in health care for you and your family. We would like to make your visits the most beneficial and as pleasant as possible.

Please find the following items in this welcome package:

- This welcome letter
- Brochure which describes our staff, procedures, diseases or conditions, hospital privileges, patients, insurance, clinic hour and map
- Allergy questionnaire
- What is allergy testing?
- How do you get ready for the prick skin test?

To ensure our service to optimally serve you, please bring the following items with you at the first appointment:

- **All current insurance cards and photo ID**
- Completed **Allergy Questionnaire Form**
- **List of medications** that you are currently taking or bring medication bottles with you if you can not remember the name or dosage of your medication
- **Names, addresses and phone numbers of your family physician** and/or other health care providers that you wish AAA to communicate your health conditions.
- **Previous medical records**, labs, x-ray if available
- If your insurance required a **referral authorization** to see a specialist, please contact your family physician or our office prior to your visit to ensure your coverage
- Stop all antihistamine medications (see “How do you get ready for the prick skin test?” for detail instruction) if you anticipate allergy evaluation

Please allow one and a half to two hours for your initial appointment. At the conclusion of the visit, the physician will summarize the significant findings and the initial course of action will be outlined.

We hope that you will find this information helpful. Please do not hesitate to contact our office if you have any questions. We look forward to seeing you soon.
